The data aggregation software that Covato Capital Management LLC refers to as Dynamic Wealth Management System or DWMS is made available without charge or obligation by Covato Capital Management LLC through a license with (eMoney Advisor). The information provided in the software has been derived from sources believed to be reliable but is not guaranteed as to its accuracy or completeness. The software's content should not be construed as an offer to buy or sell or a solicitation of an offer to buy or sell any securities discussed or as personalized investment advice. All investment strategies have the potential for profit or loss. Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment or strategy will be suitable or profitable for an investor's portfolio. Projections are based on assumptions that may not come to pass. Asset allocation and diversification do not ensure or guarantee better performance and cannot eliminate the risk of investment losses.
